Backing Up Data - Is your data really protected?

© Sabrina Della Camera

I am OCD about backing up my data. However, I discovered that even my extreme tendencies to protect my data had a hole. I approached the process of backing up under the premise that hardware would be the cause of data loss. I never considered the operating system to be the source of failure. A bad...

Photo Walk - Scituate Lighthouse Sunset and Star Trails - August 17th, 2024

Let's plan an evening walk to explore Scituate Lighthouse, which is the fifth-oldest lighthouse in New England and the eleventh-oldest in the United States. Her facelift is complete and she now has a brand new lantern room, windows, and fresh paint. We will begin our walk during the golden hour, take some pictures of the sunset, and continue exploring the changing light until it gets dark. We will hopefully photograph the stars.
